

Brentwood NEWSLETTER

The Voice of the People • www.brentwoodnewsletter.org

The *Brentwood Newsletter* is pleased to announce that, after a one-year hiatus, it will again publish a Business Card Directory. The Directory has been a service of the *Brentwood Newsletter* to town residents since 1985. The Directory will be distributed in printed form to 1,400+ households in the April, September, and December 2023 issues. The Directory is also included in the Welcome Packets given to new residents and is emailed directly to an additional 50 addresses.

**For a contribution of \$100,
your business can be included in the Directory for the year!**

This is a great opportunity to get your company information into the hands of new residents, as well as to all those who may be looking for the services you offer.

We appreciate and need your continued support. If you would like to take advantage of this invitation, please complete the bottom portion of this letter, send it along with a **clean and up-to-date copy of your business card**, and payment to:
